

Church Services

Our services each have a different style and atmosphere. Which ever you choose to attend you will be warmly welcomed. On a Sunday

8.00am Holy Communion

Alternating between the traditional Book of Common Prayer and the contemporary Common Worship services, this service is normally a "said communion" service (i.e. no music) and has a quiet reflective atmosphere. 10.00am Family worship

Modern worship with children's groups and a creche. Once a month we have an "all age" celebration service. This service is suited to families or those that enjoy a more modern worship style. The service includes Holy Communion on alternate weeks. 7:00pm EncounterCafe church meets at 7pm (term time only). [click here for full details on Facebook](#) Mid-week
